

The EducationUSA Academy is a pre-college academic enrichment program for international high school students offering specialized college preparatory content, college-level writing workshops, campus visits, and cultural activities. Students gain an insider's perspective on higher education in the United States while getting the chance to experience and enjoy campus life.

More information on how to apply, including cost and eligibility, at www.edusaacademy.org

“Through EducationUSA Academy, I made new friends from all over the world, I learned about the American education system and requirements for getting accepted to an American university, and I visited one of the most interesting places in the United States in a friendly and helpful group.” – 2017 EducationUSA Academy participant

EducationUSA is a network of hundreds of advising centers in more than 170 countries, supported by the U.S. Department of State's Bureau of Educational and Cultural Affairs. EducationUSA Advising Centers actively promote U.S. higher education around the world by offering accurate, comprehensive, and current information about accredited educational institutions in the United States.
